HOMES

Welcome to the Siding Collection.

100 Years of Innovation.

For more than 100 years, homeowners and building professionals have trusted CertainTeed for the highest quality building products, and continually setting the standards for exciting innovations in style and performance.

CertainTeed is the acknowledged leader in vinyl and polymer siding, setting the standard for the industry. As such, we take seriously our commitment to continue to provide innovative, quality products from a company of proven trust.

Today, that spirit of innovation comes to life in the CertainTeed Siding Collection – an exceptional selection of siding products offering the industry’s broadest choice of options in materials, colors, styles, and performance options. With superior beauty, quality, and durability, CertainTeed siding is ideal for any siding project, and the perfect complement to products that transform outdoor areas into open-air Living Spaces.

The comforts of home... no longer defined by four walls.

Outside living spaces are “in” as porches, yards, and gardens are transformed into beautiful open-air rooms. If you’re longing for the joys of fresh air living, CertainTeed can help. Our Living Spaces™ exterior products suite, including siding, soffit, and accessories, porch, decking, railing, and fence products, offers everything you need to create and define your own great outdoors.

CertainTeed’s long-standing commitment to innovation, quality, and service is firmly rooted in our founding philosophy of “Quality made Certain, Satisfaction Guaranteed.” It’s a promise we take as seriously today as we did a century ago.
